

Children's Birthday Parties

at the Wissahickon Valley Watershed Association

12 Morris Road * Ambler, PA 19002-5499 * (215) 646-8866

Birthdays celebrated at the Watershed Association's headquarters located on the Four Mills Nature Reserve are a fun way to celebrate while enjoying a unique environmental experience.

Parties are held all year on Sundays from 11:00 am to 1:00 pm and 2:00 pm to 4:00 pm. For one hour, our naturalist will lead a seasonal woods walk, a creek program, or a program of your choice. In case of bad weather, there will be indoor animal demonstrations, lessons, and games focusing on snakes, turtles, birds and deer. The other hour is spent in the second floor party area eating, playing games, making a craft or doing whatever else you have planned.

The cost of the party is \$85 for fifteen or fewer children. A second naturalist may be hired for an additional \$25 if more children are invited. A \$45 annual family membership is also required.

Call today to schedule your child's special birthday event!
